

Internal Audit Intern (m/f) - Job based in Luxembourg

Your future team:

Our risk management professionals are recognised as experts in the market place and within the Deloitte global network, offering a full range of risk consulting services that enable our clients to improve the quality and efficiency of their risk management processes while ensuring full compliance with the latest regulatory requirements.

You next challenge:

Gather, synthesize, and analyze data using appropriate tools and technologies

Assist with the planning and delivery of internal audit and risk management services to prestigious clients within the banking and fund industries

Participate in assignments including internal audit outsourcing, business process review and risk analysis, assurance report on controls (ISAE 3402 / SSAE 16) and implementation of operational risk management methodologies

Help with the development of reports and presentations using appropriate tools

Your skills:

- Hold a master's degree in business administration, finance, civil engineering or from a business school
- Have a previous experience/internship within the financial sector is required
- Prove creativity with the ability to develop and present new ideas and conceptualize new approaches and solutions
- Show strong analytical and logical problem-solving skills
- Demonstrate excellent communication skills, able to build strong team and client relationships
- Are fluent in French and English; German would be considered as an asset

We want to hear from you! Join us and you will:

Work alongside recognized experts

Step up in your career thanks to our remarkable client portfolio

Team up with dynamic and energetic young professionals within a challenging and knowledge-sharing environment

Challenge yourself in an international context through various client assignments
