

## Junior Consultant in Financial Accounting Advisory Services (FAAS) (m/f)

**Junior Consultant in Financial Accounting Advisory Services (FAAS) (m/f) Wanted!**  
**We're looking for our new colleague who will be part of our FAAS Team**

### About EY

As a global leader in assurance, tax, transaction and advisory services, we're using the finance products, expertise and systems we've developed to build a better working world. That starts with a culture that believes in giving you the training, opportunities and creative freedom to make things better. Whenever you join, however long you stay, the exceptional EY experience lasts a lifetime. And with a commitment to hiring and developing the most passionate people, we'll make our ambition to be the best employer by 2026 a reality.

- In line with our **corporate culture**, we support you in developing your potential by focusing on topics of diversity, opportunity equality, life balance, further training and internationality
- **Gain experience** - we want you to experience more at EY and for you to gain new insights within one of the leading audit and consulting companies.
- **Foster your development** - You will explore our exciting working environment, receive individual mentoring and benefit from getting to know the broad spectrum of our clients
- **Building a Network** - make valuable contacts for your further career and get to know colleagues with different skills, educational and geographical backgrounds. You will discover: The ways of working and thinking in a global company are diverse!

### About the job

Under the supervision of Seniors/Managers, you will assist and support clients in the preparation of consolidated financial statements and improving their financial reporting to investors. You will also help clients in improving and implementing efficient financial reporting processes as well as to applying IFRS and Lux GAAP: conversions, implementation of new standards, accounting opinions, etc. You will ensure that engagements are executed in accordance with the firm's methodologies and guidance,

professional standards and local legal and regulatory requirements at the time that you support clients to develop analytical tools or financial models for their daily operations

### **About you**

You are finalizing a master's degree with specialization Audit, Finance, Economics or Accountancy you gained first previous experience in any of those fields: Reporting, Controlling, Consolidation, Business Intelligence or Audit. Personality wise, you are dynamic and looking to work in a rapidly growing business; client oriented and have the ability to develop excellent business relationship with clients. You are organized, flexible and demonstrate commitment to personnel development.

We look for good team players with strong communications skills. You have good project management skills.

In terms of languages, you are fluent in English. Other languages skills such as German or French would be considered as an asset.

Good knowledge of programming languages (i.e. VBA) would be a plus.

### **Application process**

EY is committed to being an inclusive employer and we are happy to consider flexible working arrangements. We strive to achieve the right balance for our people, enabling us to deliver excellent client service whilst allowing you to build your career without sacrificing your personal priorities. While our client-facing professionals can be required to travel regularly, and at times be based at client sites, our flexible working arrangements can help you to achieve a lifestyle balance.

In our recruitment process, you will be contacted first for an initial phone call to get to you know a bit more and discuss salary and packages. Then you will be invited for some interviews either in our office or via Skype. Eventually you will be informed of our decision.

If what you read inspires you, then do not hesitate to click on the apply button and we'd love to hear more from you because whenever you join, however long you stay, the exceptional EY experience lasts a lifetime.
