

Our strong customer base is the driving force for further growth. We invest a lot in digital technologies, and put long-term success over short-term success. Our social mission is fulfilled with a high level of commitment and integrity. A career full of development opportunities awaits you and the opportunity to help shape the future of our customers.

Internship COO - Office

in Luxembourg, 3 to 6 months, start date is the 1st or the 15th of every month

About DWS

DWS Group (DWS) is one of the world's leading investment organisations. With over €660 billion in assets-under-management, DWS offers individuals and institutions traditional and alternative investments across all major asset classes. DWS is a publicly listed firm on the Frankfurt stock exchange majority-owned by the Deutsche Bank Group and a minority stake held by Nippon Life. The Alternatives business represents more than € 70 billion and includes private real estate, private infrastructure, liquid real assets (real estate/infrastructure, and commodity securities), sustainable investments, private equity, and hedge funds.

About the position

The COO Office in Luxembourg is the centerpiece of the Management Company. It coordinates all local and overarching projects, collects and processes diverse information and presents them to the management of the legal entity.

During your internship, you are going to be introduced to the diverse aspects of asset management and you will be supporting the team in many diverse tasks. Your focus will be on administrative and coordinative tasks focusing on projects, regulatory changes, audits and meetings.

Your tasks

- Supporting the top-management in the daily business
- Actively assist the coordination of external and internal audits as well as with the follow-up findings
- Responsible for the presentation and the post processing of project meetings
- Creation of Senior Management presentations

Your qualifications

We are looking for talents with good academic grades who already have some practical experience to make a positive contribution to our clients.

- Are you studying business administration, economics, industrial engineering, business mathematics or a comparable economic or natural science specialization?
- Are you interested in financial issues and capital market topics?
- Have you already gained some practical experience in project work?
- Do you have a high affinity for asset management?
- Are you experienced in MS Office and common applications?
- Do you have strong communication skills, fluency in German and English?
- Do you prefer working in a team and are you able to inspire others with your ideas?
- Do you stay concentrated even under pressure?
- Are you a responsible, committed personality with excellent analytical skills and quick comprehension?
- You can present us a current criminal record?
