

Internship Operations, Control and Oversight

Luxembourg, 4-6 months, starting on the 1st or 15th of a month

About Operations, Control and Oversight

You will be joining the Operations, Control and Oversight team within the CIB Operations Department. The CIP Operations Department performs operational tasks for e.g. Deutsche Bank Wealth Management, International Loan and Agency Services or Global Markets. Besides Operations, Control and Oversight the department consist of Cash Operations, Fiduciary Operations, Loan Operations and Treasury Operations.

The Operations, Control & Oversight team is responsible for a multifaceted set of tasks. The day-to-day duties include the development and operation of the reporting landscape, the performance of business management tasks, business support tasks, reconciliations, regulatory reviews and supervisory controls. The team is participating in global and local technology initiatives and in regulatory projects as department delegate.

Responsibilities

The Operations, Control & Oversight intern will work in a small team and will be involved in a variety of tasks. Responsibilities include, but are not limited to:

- Support the team in their day-to-day business
- Invoicing of legal fees, payment preparation and monitoring
- Daily reconciliation tasks
- Assistance in the preparation of reports
- Support the team in various projects

Requirements and Skills

- Student, preferably in economics / business administration
- Good knowledge of English, German is a plus
- Common MS Office applications (especially MS Excel)
- Good communication skills and ability to work in a team
- Personal initiative, ability to work independently
